

From the AD's Desk:

Welcome Back Squire Athletic Fans!!! Fall athletics have been underway for a month with many outstanding performances in the early part of the 2017 fall season. Come out and support our student-athletes as they represent Manchester Community Schools and the North Manchester Community. We are proud of how our student-athletes represent themselves as once again Manchester has earned the IHSAA sportsmanship award for 2016-2017 school year. This is a tribute to our coaches, teachers, and parents for their commitment to help our young people develop and grow as students, athletes, and young adults. Go Squires!!

2017 MHS Invite Girl's Soccer Champs

SCHOOL FIGHT SONG

Fight on Manchester High,
we're here to say.
We'll back our Squire team
ever back them all the way.
Rah Rah Rah
Our colors lead us on,
now's the time to do or die.
We'll fight for you,
we'll see you through,
Manchester High.

WHAT IS A SQUIRE?

A Squire was originally a young man who aspired to the rank of knighthood. A Squire was the second stage to becoming a Knight, after serving first as a page. Once became a Squire at the age of 14. As part of his development to that end, he served an existing Knight as an attendant or shield carrier. The Squire would sometimes carry the Knight's flag to battle with his master. If he proved his loyalty in battle, he would have a dubbing, an official ceremony to become a Knight!!!

130 Conference Championships
1 Semi-State Championship

61 Sectional Championships
1 State Championship

13 Regional Championships
7 All-Sport Trophies

IHSAA Student Athlete Tip of the Week

"Promoting education based athletics in Indiana"

Every high school student-athlete faces challenges-- in the classroom, in their sport, and even at home. It seems like there is always an obstacle to overcome. Research is clear that it really does pay to be positive during difficult times. The benefits include enhanced health and longevity, happiness, career advancement, and athletic performance. Writer Jon Gordon says that "positive people who regularly express positive emotions are more resilient when facing stress, challenges and adversity." How can you become a more positive person? Tasting success in the classroom and on the athletic field will help, but should not be the determining factor. Try and make each day positive not only for you, but for someone else, as well!

2017 Wabash County JH Girl's Cross Country Champs
