

Math Department Supply List

Manchester Jr./Sr. High School

Any student in grades 7 through 12 taking any math class will be **required** to have the following math supplies:

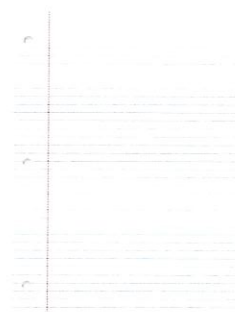

- Texas Instruments TI30XIIS Scientific Calculator - \$8 - \$12

Note: A Graphing Calculator will be provided as needed in **Algebra I, Geometry, and Algebra II.**

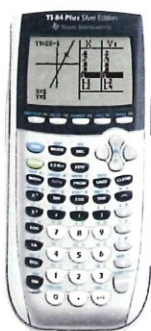

Any student in grades 7 through 12 taking any math class is **recommended** to have the following math supplies:

- Pocket Folder or 3-Ring Binder - \$4 - \$8
- Pencils and Erasers - \$3 - \$7
- Paper - \$1 - \$4

Note: A binder and paper will be provided in Math 7.

Any student taking **Pre-Calculus, Trigonometry, Calculus, or Probability and Statistics** will also be **required** to have a Texas Instruments TI-84 Plus Graphing Calculator.

TI-84 Plus Silver Edition
\$90 - \$110

TI-84 Plus C Silver Edition
\$100 - \$125

TI-84 Plus CE
\$110 - \$150

Note: It does **NOT** matter which model of this calculator you purchase. Any TI-84 Plus calculator will serve our purpose. Some graph in color and have better graphics and some have a rechargeable battery pack. All of these calculators are approved for PSAT, ACT, SAT, and college placement exams.
