Due to the "stay at home" order by Governor Holcomb, the Special Meeting will be held as a virtual meeting (virtual meetings were approved and encouraged by Governor Holcomb). We will make every attempt to bring the meeting live; however, we do not have the details of that worked out so it is questionable if we can make it happen. If the attempt to bring the meeting live is unsuccessful, a link will be sent out shortly after the meeting so you may view the recorded session.

You may email any comments regarding this meeting to the Superintendent or Board members.
